There were five Faggots of Wood set on Fire, and lighted with a Link by Jack Ketch, on which it was laid, and soon burnt to Ashes, without the least Molestation.

BOSTON, *May* 7.

We hear that Major Joseph Gorham is appointed Governor of Bermuda.

A Letter from London of good Authority says, that the Bill for a Stamp Duty in America, was postponed for a Year.

The London Papers mention, that the Dutch are assiduously augmenting their Marine, and will have a Fleet of 18 Sail of Men of War ready for Sea by the first of May.

NEW-YORK, *May* 14.

Since our last we have been favoured with the following further Matters of Fact, relating to Indian Affairs, from above, to wit; That Captain Johnson had returned to Johnson-hall about the First Instant, the Enemy having abandoned the whole Country near the Susquehannah, shortly after the first Loss they had sustained. Captain Montour, with 100 Indians, is gone for Niagara, in order to secure the Carrying-Place, and Vessels, from any Attempts of the Enemy; the Missisagues, and others, having lately threatened it; and the Loss of the Convoys at present, being of too much Importance not to be prevented.—The greatest Part of the Six Nations are only waiting the Motions of the Troops, in order to join them, and proceed on the Expedition.—Their Appearance with the Army will, it is reasonably supposed, awe any of the distant Nations who may have been disposed to renew the War.

Seneca Indians have delivered to Sir William, one Samuel Gwin, taken at Minisink last Fall by the Delawares, from whom he escaped to the Senecas. Also a Negro they call Tony, who formerly run away from Maryland, and has lived about 20 Years at an Indian Village on the Susquehannah; amongst which Indians he lately spread many malicious Falshoods, one among the rest being, that the English designed to destroy all the Nations in a short Time; on the News of which, Sir William sent for him; he was brought down Prisoner by the Indians, and is now on his Way to New-York.

PHILADELPHIA, *May* 17.

On Saturday last William Autenreith, John Williams, and John Benson, were carried from the Goal of this City to the Place of Execution, where the two first were executed, pursuant to their Sentence; but Benson was reprieved under the Gallows, Autenreith having cleared him of the Robbery for which he was convicted, by confessing that he alone robbed both Mr. Clifford's and Mrs. M'Call's Houses.—They all behaved as became Men in their unhappy Circumstances; but Benson, in particular, seemed to be prodigiously affected, not knowing any Thing of his Reprieve till the others were turned off, having gone through all the Solemnity of that dismal Scene, being blind-folded, tied up, as he imagined, and about to step into Eternity with them.—His Concern, it was thought, was the greater, as all along, we hear, he flattered himself with being saved, always declaring his Innocence of the Crime for which he was ordered to die; but his Behaviour in going to, and at the Tree, shewed that he had lost all Hopes of that Kind.

THE Honourable Commissioners of his Majesty's Customs, having been inform'd that Compositions have been frequently enter'd into for the Duties imposed by the Act of 6 *Geo.* II. payable to his Majesty at the Ports of *America*, give this Public Notice, That whoever will make Discovery of any Person or Persons, who shall have been guilty of entering into, or conniving at, such Compositions, to *John Temple*, Esq; or *Peter Randolph*, Esq; Surveyors-General of his Majesty's Customs in *North-America*, or other principal Officer of his Majesty's Customs, the Collector, or Comptroller, of any Port, except the Port where such Fraud was enter'd into, so that the Parties offending may be convicted thereof, and the Duties recover'd to the Crown, shall receive One Third Part of the Duties so recover'd.

By Order of the Honourable the Commissioners of his Majesty's Customs,

ROBERT HERON, *Collector.*

PORT Pocomoke *in* Maryland,
March 15, 1764.

THERE is now at my Landing, where the Owner, proving his Property, and paying the Charge of this Advertisement, may receive her, a small flat bottom'd Boat, about 15 or 16 Feet from Stem to Stern, and about 6 Feet Beam; she is light Timber'd, has 3 or 4 Fathom of 4 Inch Rope at her Stem, and is somewhat old; she was taken up at *Choptank-Island* by one of my People about Christmas last.

MATTHEW TILGHMAN.

WHEREAS the Subscriber, late of the Province of *Pennsylvania*, now of *Maryland*, gave his Bond, dated the 12th Day of *March* past, for the Sum of £. 105, to a certain *Edward Robinson*, of *Baltimore* County, on a Contract for some Land, which the said *Robinson* was to have made over to, and put in Possession of, the said Subscriber, by the 20th of *April:* But as the said *Robinson* is unable, and has refused to comply with his Part of the Contract, This is to forewarn all Persons from taking an Assignment of the said Bond, as the Money is not Due, nor will ever be Paid by

JOHN MILLER.

Piscataway, March 29, 1764.

AFTER the Breaking up of the Store in this Place, which belonged to Messieurs JAMES TODD and COMPANY, all Persons indebted to the said Company, were desired to discharge their Debts, or settle by Bond; but as most of them have paid little Regard to the Notice given them there, and some have been so unreasonable as to refuse to give their Bonds, notwithstanding this Manner of Settlement was proposed with a View of making Payments more easy, by waiting till such Time as they could get their Tobacco ready, or more conveniently raise the Money: I must now inform these People, that they need not expect any further Indulgence, for he who assisted for some Time in that Store (and who is now impowered to collect the Debts due to the Company) has Orders to commence Suits against such as will not settle to his Satisfaction, and to have Recourse to Means of Compulsion, when those of Mildness will not answer.

Notice is also given, That the LOT in *Piscataway*, which belongs to the said Company, will be exposed to Public Sale on the First Tuesday in *June*, on which stands a very convenient Store-House, with a Compting-Room, a good Lumber House, a Stable, and a Kitchen. Any one who inclines to purchase the same, may enquire for Terms, at the House of Mr. *Alexander Burrell.*

Reasonable Time will be given for the Payment of the Purchase-money; and we believe Capt. *John Butler*, who now commands her, and whom we recommend as a very worthy honest Man, and very diligent in his Business, may be engaged to continue in the Service of the Purchaser, if he should want a Commander.

THOMAS and WILLIAM RINGGOLD.

WHEREAS we the Subscribers, being in Drink, and thereby incapable of governing ourselves, and deprived of our Reason in a great Degree, were induced to enter into a Bond jointly with *James Shiper*, and payable to *John Scolefield*, &c. on the 29th of *March* last. The Bond is for Forty-four Pounds Ten Shillings and Five or Six Pence, for which we never received any Consideration, or the least Value, and having before Evidence demanded the said Bond of the said *Scolefield*, which he refused to give up to us; we therefore hereby forewarn all Persons not to take any Assignment of the said Bond, for we will not pay it, nor any Part thereof, for the Reasons abovementioned.

Evidences to the Bond were *Aquila Carr* and *William Harbert*. The Bond was demanded before *Nathan Hawkins* and *Robertson Chilcoat*.
